EC DECLARATION OF CONFORMITY

The Manufacturer **KAFFE SA – VENTILATION CENTER** hereby declares that the products described below :

Name :	KAF Series
Type :	Axial Direct Drive Fans
Serial Number :	All manufactured since 01/01/2013

Complies with the following requirements :

- **Low Voltage Directive (LVD) 2006/95/EC** based on the following harmonized European Standards: **EN 60034-1:2010 // EN 60204-1:2006 // EN 13857:2008**
- Commission Regulation (EU) No **327/2011** implementing Directive **2009/125/EC** with regard to ecodesign requirements for fans driven by motors with an electric input power between 125W and 500Kw (including those fans for replacement of identical fans integrated in products which were placed on the market before 1 January 2013).
- **Electromagnetic Compatibility Directive (EMC) 2004/108/EC** with regard to emission and immunity to electromagnetic levels.
- **EC Declaration of Incorporation Directive 2006/42/EC, Annex II 1-B).** Should the product defined above, be used as part of a machine, then it must not be put into service until the machine in which it is incorporated has been declared in conformity with the provisions of the Machinery Directive 2006/42/EC.
- **EN ISO 13857** refers to safety devices when supplied and installed, with the product. The responsibility for compliance with EN ISO 13857 is the installer of the system where the product is applied.

This Declaration of Conformity is fully documented with technical file in accordance with Annex VII part B.

We are committed to provide relevant information on this product in response to a reasonable request by national authorities.

Athens, March 2024
